PROFESSIONAL SUMMARY

Social media and content specialist with hands-on experience in research, content strategy, on-site filming, Reel editing, bilingual scripts, and Meta campaigns. Built Cloud9's content production system and organic reporting, alongside live web products for education, logistics, and healthcare. Uses performance data to improve creative and enquiry journeys.

CORE SKILLS

Strategy and content: Social audits, competitor research, positioning, content pillars, monthly calendars, creative briefs, English and Egyptian Arabic scripts, captions, and performance reporting.

Production and paid social: On-site video capture, batch shoots, CapCut editing, subtitles, pacing, transitions, Meta campaign setup, audience and creative testing, budgets, and cost-per-result analysis.

Tools: Meta Business Suite, Meta Ads Manager, CapCut, Canva, Higgsfield, Excel, Google Sheets, PowerPoint, Codex, GitHub Copilot, ChatGPT, Claude, Gemini, and Vercel.

EXPERIENCE

Marketing Intern in Content and Social Media | 4mind | Cairo | 2026–Present

- Produce 8–10 social posts per week across Facebook, Instagram, TikTok, LinkedIn, and WhatsApp Channel against structured weekly targets.
- Research audiences and competitors, develop ideas and creative direction, and prepare content and campaign documentation for review.
- Capture original footage and edit Reels through shot selection, pacing, captions, sound, transitions, and platform exports. [Captured and edited Reels](#)

SELECTED RESULTS AND PROJECTS

Cloud9 International Nursery | Content Strategy and Production | Cairo | 2026 | [View work](#)

- Delivered organic reporting for 3–22 August: +238 net followers, 1,354 interactions, and 208 first-time parent messages with EGP 0 ad spend across Facebook and Instagram.
- Instagram Insights recorded 146,883 content views, +200 net followers, and 1,786 interactions in the 60-day snapshot ending 5 October 2026.
- Built the audit, 90-day strategy, 85 bilingual scripts, creative playbook, and production workflow; captured and edited educator-led, activity, and behind-the-scenes Reels.
- Tracked 39 September video briefs and 17 designs, with 25 videos filmed and 19 marked published; prepared 35 October video briefs and built a bilingual tour-booking site.

Meta Paid Social | Education, Recruitment, and Retail Campaigns | [View work](#)

- Supported campaign setup, audiences, creatives, budgets, optimisation, and reporting. Selected results: 419 conversations at EGP 9.55 each and 342 at EGP 7.24 each.
- Genio Academy lead ad generated 45 leads at EGP 8.56 CPL from EGP 385.34 spend; campaign screenshots and the published creative are available in the portfolio.

WEB PRODUCTS BUILT

- Cloud9 tour booking: bilingual parent journey, secure Microsoft Forms embed, branch contact routes, and an Excel workflow for tour status and conversion tracking. [Live site](#)
- Inter Freight Cargo: bilingual service website with quote-request, contact, and shipment-status journeys. [Live site](#)
- ElRehab attendance: QR entry point, mobile attendance instructions, and protected HR access. [QR entry](#) | [HR portal](#)

AI VIDEO PRODUCTION

- Created five Arabic and English legal explainers for Al Mahy using Higgsfield, with a consistent visual system, vertical 9:16 delivery, and coordinated covers and thumbnails. [Watch videos](#)

ADDITIONAL SELECTED PROJECTS

KAVUN | Café Growth and Digital Menu | [View work](#)

Built a two-branch 90-day growth strategy, 30 surreal campaign creatives, a monthly calendar, and a live bilingual digital menu.
